36-18A-33. The board shall admit to examination any candidate who pays a fee, not to exceed two hundred dollars, established by the board and submits an application with evidence satisfactory to the board that the applicant satisfies the necessary education and experience requirements. The board may require an applicant for licensure or a current licensee to take an examination as it deems

necessary to determine that person's professional minimum competency. Upon approval of examination applications, examination fees may be paid by the applicant directly to a national vendor or third party. The board may hold membership in and be represented at national councils or organizations of professional practices licensed under this chapter and may pay the appropriate membership fees. The board may allow proctoring of examinations for approved candidates at out-of-state or overseas sites by administrators of national council member boards. The board may accept candidates to be proctored in this state from other national council member boards. A take-home questionnaire based on statutes and rules and related to professionalism and ethics may also be required. The board shall promulgate rules, pursuant to chapter 1-26, to establish application, examination, and proctor fees for all examinations. No fee may exceed one thousand dollars.

Section 5. That § 36-18A-34 be amended to read as follows:

36-18A-34. The board shall notify each applicant of the results of the examination and those entitled to licensure or enrollment. The board shall promulgate rules, pursuant to chapter 1-26, to establish reexamination fees, not to exceed two hundred dollars, for all licensure and enrollment applicants.

Section 6. That § 36-18A-35 be amended to read as follows:

36-18A-35. The board may give comity consideration to any person who holds a current and valid license issued to that person for active practice by the proper authority in any state or territory of the United States, the District of Columbia, or any foreign country, based on requirements that do not conflict with the provisions of this chapter and were of a standard not lower than that specified in the applicable licensure act in effect in this state at the time such license was issued. An applicant may be required to take examinations as the board deems necessary to determine the applicant's competency. A comity applicant for landscape architecture shall hold a current and valid

certification from the Council of Landscape Architectural Registration Boards to be eligible for comity licensure. The board shall promulgate rules, pursuant to chapter 1-26, to set the application fee for licensure by comity. The fee may not exceed two hundred dollars.

Section 7. That § 36-18A-39 be amended to read as follows:

36-18A-39. A license expires two years after the date of issuance and becomes invalid on that date unless renewed by that date. - (1) Pay the renewal fee, not to exceed two hundred dollars, established by the board in rules promulgated pursuant to chapter 1-26; and
- (2) Successfully complete all continuing professional development requirements established by the board or make a showing of good cause why the licensee was unable to comply with such requirements.

Failure to render any fees required for inactive or retired status shall result in the automatic termination of inactive or retired status. The request for files to be placed on inactive or retired status may be denied by the board. No person may practice or offer to practice while that person's files are inactive or retired.
